

## MAN FOUND NOT GUILTY OF STATED HOLDUP

Ray M. Miller Was Not  
Found Guilty of  
Heldup in Street by Ex-Soldier,  
His Boy's Flight.

Ray M. Miller, 1944 1/2 Tenth  
street, was found not guilty of  
the robbery of a man in a street  
in his second legal battle  
with the state, ex-soldier,  
and his boy.

Miller was charged with  
robbery. He claimed that  
he had been struck down by Gladman  
on Third avenue and Third  
street last Saturday afternoon,  
and was badly beaten up by  
the man and lost \$15. Gladman  
had been taken from his pocket by  
Gladman.

However, witnesses of the affair  
said that Gladman was not  
absolutely different color to  
Miller's story. They claimed that  
Miller had started a fight with  
Gladman and was the loser in the  
encounter and that no one saw  
Gladman take money from Miller.

Assistant State's Attorney  
Edward L. Eagle asked Magistrate D.  
J. Cleland to dismiss the case and  
to force Miller to pay the costs of  
trial. Witnesses for the defense  
knew neither of the two men be-  
fore seeing them fighting Saturday,  
and their stories of the occurrence  
told exactly, all going to prove  
Gladman innocent of highway rob-  
bery, and that he instead of Miller  
had been the one attacked.

Miller alleged that Gladman had  
held a grudge against him for over  
a year. He said that he had given  
Gladman employment for one day a  
year ago and had paid him \$5.50 for  
the work. Later he claimed that  
Gladman tried to collect \$1.20 extra,  
which was refused. Gladman, ac-  
cording to Miller, began to make  
threats against the latter. He said  
that he went to Gladman's home  
and asked the man's wife to in-  
fluence her husband to stop making  
the threats and from talking about  
him in general.

Mrs. Gladman, however, claims  
differently from Miller as to the  
happenings when Miller visited her  
home. She claimed that the man  
used abusive language. She had  
him arrested for disorderly conduct  
and he was fined \$5 in police court  
last Friday.

The fine and costs amounted to  
\$11.45 and Gladman claimed in  
court today that when he left the  
court room last Friday Miller  
threatened that he would get that  
amount of money back from him.  
He said that Saturday Miller met  
him on Third avenue and Fifteenth  
street and attacked him. He was  
able to win out in the encounter,  
however. Miller immediately swore  
out a warrant charging Gladman  
with highway robbery. Witnesses  
here out every contention made by  
Gladman.

Miller is now at liberty under  
\$1,000 bond for using the mails to  
defraud. He was arrested two  
weeks ago on a charge of obtain-  
ing \$275 from Miss Yetta Stein, Mil-  
waukee, Wis., through the medium  
of an engagement ring. Miller is  
married, his wife living with him in  
Rock Island. He became acquaint-  
ed with Miss Stein through a mari-  
age advertisement, it is claimed.

## TELLS HARDING OF EXPERIENCE

Myron T. Herrick of Cleveland Dis-  
cusses International Peace With  
the President-elect.

Marion, Ohio, Dec. 23.—Myron T.  
Herrick of Cleveland, who was  
American ambassador at Paris  
during the early days of the world  
war, was called to Marion today by  
President-elect Harding to discuss  
the international peace plan to be  
put before the world by the coming  
administration.

The conference is understood to  
have concerned particularly the ex-  
periences of Mr. Herrick abroad  
last summer, when he made a tour  
of European capitals and talked  
with many leading statesmen. At  
that time it was reported that he  
was gathering information in or-  
der to aid Mr. Harding in perfect-  
ing his association of nations.

Recently the former ambassador  
has been mentioned prominently as  
a possible choice for some impor-  
tant post in the diplomatic service.  
Fred W. Upham of Chicago,  
treasurer of the Republican na-  
tional committee, also was on Mr.  
Harding's calling list, but it was  
said the visit concerned left-over  
official matters connected with the  
recent campaign.

While the president-elect's con-  
ference with Mr. Herrick was con-  
sidered a private matter, it was  
understood that the former am-  
bassador had been called to Mar-  
ion to discuss the international  
peace plan to be put before the  
world by the coming adminis-  
tration.

Washington, Dec. 23.—Despite  
the majority by which the Fordney  
emergency tariff bill passed the  
house last night, many proponents  
of the measure today said they be-  
lieved it would either be defeated  
or radically amended in the senate.  
Although party lines were largely  
swept aside in the vote in the  
house, which was 196 to 86, it was  
not believed this would occur in  
the senate, where the majority is  
smaller.

The measure, designed to protect  
more than a score of agricultural  
products for a 10 months' period,  
was passed by the house after  
eight hours of heated debate, in  
which the opposition was led by  
Representative Henry T. Rainey,  
Democrat of Illinois. While a few  
Republicans supported his attack on  
the measure, more than a score of  
his own party joined the majority.
